

Optical methods years ago—and now.

Years ago people bought their eyeglasses from "peddlers"—"jewelers"—and "over the counters" of dry goods shops.

There are still many thoughtful individuals who "chance" the wearing of "ready made"—"try-these-on" Eyeglasses.

Harris Eyeglass Service assures you absolute safety because our eye examinations are conducted by Oculists (Registered Eye Physicians), who take special interest in each individual case, and a personal pride in the satisfaction their work gives.

Harris Eyeglasses, whether they cost \$2.00, \$3.00 or \$5.00, are guaranteed to give absolute, lasting satisfaction.

'PHONE COMPANY ADMITS AT LAST MILLIONS IN PROFIT

Evening World Forces It to File Report at Albany of Its City Business.

BIG INCREASE IN 1913.

Company Expected to Adjust Rates to Avoid Action by P. S. Board.

The Evening World's fight for equitable telephone rates in New York continues to bring results, and to-day there is on file with the Public Service Commission, Second Division, in Albany, a financial statement of the New York Telephone Company's income and expenditures in New York City.

Soon after The Evening World began to demand fair telephone rates the Telephone Company assumed a defiant attitude. At first it claimed figures showing its income and expenditures could not be ascertained. Under pressure, however, it finally agreed to furnish the desired information to the Public Service Commission, and the statement filed at Albany yesterday is the result.

The opinion was expressed to-day by persons familiar with the situation that the telephone company will reduce the rates that have been objectionable in New York City, rather

HELD FOR DEMANDING \$5,000,000 FROM SCHIFF

Hoboken Painter Dreamed That Banker Had Claimed His Brother's Estate.

On his admission that he has been writing threatening letters to Jacob H. Schiff, the banker, demanding \$5,000,000, Jacob Bertoff, an artist, living at No. 80 Garden street, Hoboken, was held for ten days for observation as to his mental condition in Recorder McGovern's court to-day. Bertoff is sixty-one years old.

The letters have been reaching Mr. Schiff for some time. Bertoff made no effort to disguise his identity. Bertoff told Recorder McGovern he had written to Mr. Schiff because of advice that had been given to him by the stars.

"The last time I saw my brother," said Bertoff, "was forty-five years ago. He went to look for gold. Some time ago I had a dream. Then I had twenty-seven other dreams. The stars showed how my brother had lived and died.

"He found a gold mine out in the Rocky Mountains and when he died he left it to me. But he didn't know where I was and the mine and the other property laid there with nobody claiming it. Then Jacob H. Schiff heard about my brother's property. He claimed it and he has the \$5,000,000 now."

PAYS \$10 FOR LOAF OF BREAD

Workman in Bakery Fined for Taking It.

Ten dollars was the price Magistrate Ten Eyck in the Morrisania Court charged Henry Busby to-day for a 16-oz loaf of bread. Busby, who lives at No. 41 Bloomfield street, Hoboken, is a carpenter and has been working in the General Baking Company plant at 10th street and Bronx Boulevard, the bread.

Much bread has been missed from there and employees are compelled to reveal the contents of any packages they take out with them. When Busby heard this yesterday he removed a loaf of bread from his bag of tools before he approached the door. Manager Percy Bedford saw him and had him arrested.

Busby admitted taking the bread, saying he intended to give it to a poor woman in Hoboken.

FUGITIVE SHOT DOWN BY A POLICEMAN AS HE CLIMBS A FENCE

Lively Chase Across Back Lots in Harlem After Alleged Burglar.

Policeman Friedlander of the Lenox avenue station was coming down through the tenement at No. 100 West One Hundred and Thirty-fourth street this morning with a negro, whom he had found working on the door of the top floor apartment, when the prisoner suddenly kicked him in the stomach and tried to bolt. The policeman had been attracted by cries of two women. Captor and prisoner rolled down a flight of stairs and at the foot the negro broke away.

He ran into the street, with Friedlander close behind, and dodged into the basement of No. 137. Friedlander, shouting to him to halt, drew his revolver and raced after him.

As the fugitive sprang into the back yard Friedlander fired a bullet

into the air. The man hesitated and the policeman closed with him. But again the negro placed a kick in the policeman's stomach and Friedlander toppled over, winded, while the fugitive made a dash for the fence. He was crawling to the top of it when the policeman fired two more shots. One struck the man under the left shoulder and, with a yell, he toppled off the fence into the yard of No. 124 West One Hundred and Thirty-fifth street.

FOR STOMACH TROUBLE

John W. Skillen of Sidney, Ohio, Has Found a Remedy.

Experts declare that the reason stomach disorders are so common in this country is due to hasty and careless habits of eating. Stomach troubles and run-down conditions usually go together.

John W. Skillen of Sidney, Ohio, says: "I had a bad stomach trouble for years, and became so weak that I could hardly walk or do any work. My appetite was poor, and it seemed impossible to get any relief. Since taking 'Vinol' I find a remarkable improvement in my health, my digestion is much stronger, and I have gained in weight. I would not be without 'Vinol'.

'Vinol' makes weak stomachs strong because it strengthens and tones up the weakness, tired and overtaxed nerves of the digestive organs. 'Vinol' is easily assimilated by the weakest stomachs, and is delicious to the taste. Try a bottle of 'Vinol' with the understanding that your money will be returned if it does not help you.

Health Officer Could Tell Luring Tale of the Sight He Saw To-Day.

Policeman Keenan of the Health Squad was amazed when he passed the home of James Pinto, No. 235 East One Hundred and Fifty-first street this morning to see five rats, five sheep, a pig, twenty-five chickens, a couple of dogs and a couple of cats in the yard. Keenan had taken Pinto to the Morrisania Court last week because his yard was filthy and he had no permit to keep the animals. But there had been only three sheep then, so Keenan took Pinto back to court.

"Don't you know you can't keep a menagerie in your yard?" asked Magistrate Ten Eyck.

Pinto admitted that he did, but said he wasn't trying to blame for the extra sheep. He'd been trying to dispose of the three when two more were born.

Magistrate Ten Eyck fined him \$5 for keeping the animals without a health permit and \$1 additional because of the condition of his yard. Pinto, who is sixty-four years old, makes a living selling goat's milk and he has a permit to keep four goats. He will have to dispose now of his excess stock.
